TEACHING

2017 to now

Bellaire Preparatory School

AP US History, US History, Government. Social studies department lead since 2024.

- Course built around ten questions students argue rather than twenty units they memorise; students take a position in week two and defend it against the evidence all semester.
- AP US History pass rate of 68 percent in 2026 against a 51 percent campus average, and 21 points of STAAR growth over three years.
- Wrote a document-based curriculum for on-level and AP, shared district-wide since 2024 and now taught by three other teachers.
- Introduced a grading model separating practice from proficiency, and moved tutorials into athletics period, raising attendance from six students to thirty-one.

2015 to 2017

Cypress Ridge High School

World History. Assistant baseball coach.

COACHING

2017 to now

Head baseball coach, Bellaire Preparatory School

Nine seasons, 136 wins and 71 losses.

- District champions 2023 and 2025, and a regional semifinal run that was the school's furthest.
- Eleven players to college baseball, nine of them on academic rather than athletic money.
- Every four-year senior graduated on time; team GPA held between 2.9 and 3.3; no eligibility losses in four seasons.
